By signing/submitting this form, I agree to pay the budget amount billed for eleven months beginning in May of each year following sign up. I also authorize HCUD to set the monthly payment amount based on the average of my previous 12-month usage.

In April, HCUD will reconcile what the "Budget Billing" customer has paid with what their actual gas usage has been over the previous 12 months. After reconciliation, if the account has a credit balance, the balance will rollover into the following years "Budget Balance" and there will not be a payment due for the month of April. Customers can request a refund of their credit balance, but this must be done during the month of April. If there is a balance due after reconciliation, the customer's April payment will be for the amount the account is short. The customer can track their "Budget Billing" account balance each month via their bill or online at [www.humphreyscountygaz.com](http://www.humphreyscountygaz.com) under Account Access.

All "Budget Billing" customers must make each monthly payment as agreed upon. HCUD will choose to discontinue a customer's Budget Billing if the customer is delinquent twice during the Budget Billing period. Budget Billing period is May 1<sup>st</sup> thru April 30<sup>th</sup>. Budget Billing may be discontinued anytime during the Budget Billing year by notification from the customer.
