

Are you building a new home or considering upgrading your appliances?

HCUD has established a “Residential Incentive Program” to help consumers take advantage of the energy savings of natural gas!

The goal of the program is to give consumers incentives to install natural gas appliances in their home and take advantage of saving money, saving energy and being environmentally friendly!

Install any of the following natural gas appliances in your new home or **SWITCH** your **non-natural gas** appliance to an energy efficient natural gas appliance and qualify for the following rebates:

Furnace/Central Unit*	\$300.00
Water Heater (Standard or Tankless)	\$150.00
Clothes Dryer	\$100.00
Cook Top/Oven	\$100.00
Space Heater (Vented)	\$100.00
Generator	\$ 50.00

****Hybrid systems, dual fuel, ventless heaters, logs, outdoor appliances, and used appliances do not qualify for this rebate.*

Incentive Program Requirement/Process:

- Customer must complete an HCUD Customer Application while program is active. Customer will have six months from date of application to be eligible for rebates.
- Customer must submit rebate form along with a copy of the appliance receipt within 30 days of final inspection. Rebate will be processed within two weeks of submitting the rebate form.
- All natural gas appliances must pass an inspection performed by Humphreys County Utility District. There is no charge for this inspection.
- Customers that purchase an appliance from HCUD and have HCUD install the appliance will receive the rebate credit at the time of sale. Customer does not have to submit any paperwork to receive rebate when HCUD provides installation for the new appliance.

******HCUD reserves the right to suspend or change this program at any time without notice.***

Why consider Natural Gas?

It does everything electric does at about a fraction of the cost!

<u>Energy Cost by Appliance</u>	<u>Gas</u>	<u>Electric</u>
Cooking	\$75	\$166
Tankless Water Heating	\$167	\$630
Heating	\$250	\$556
<u>Clothes Drying</u>	<u>\$83</u>	<u>\$185</u>
Total	\$575	\$1537

Based upon annual consumption survey performed by Clearwater Gas System.

Our nation is blessed to have a DOMESTIC, AFFORDABLE, EFFICIENT, CLEAN AND SAFE ENERGY!
